

June 30, 2008

Dear Valued customer:

As our costs continue to escalate, we must increase the price of all our resins by .06/Pound. This increase will take effect for shipments after July 18th. We will send your updated price letter as soon as possible.

I appreciate the confidence that you have placed in Ranbar and thank you for your support during these difficult times.

Sincerely,

Terry Vilella
Vice President/General Manager
